Learning Tasks

On the following pages you will find a number of learning tasks. Work with your family to complete the tasks that are right for you.

Share your learning

If you'd like to share something you've completed, send it to your teacher. *(Remember they'll be teaching through the day but will respond when they can.)*

Remember...

Learning looks different for everyone. There is no expectation that you do every task. Many of the things that you do at home with your family are valid learning experiences too!

Connect with your Class

Watch out for any opportunities to connect with your class via Zoom. Invitations with details and times may be emailed to you.
