## Learning Tasks

On the following pages you will find a number of learning tasks. Work with your family to complete the tasks that are right for you.

## Sharing Your Learning

You could email it, send a photo or write to your teacher to let them know what you've learnt. If working with a Chromebook, completed tasks go in your "Other" folder. Share it with your teacher.

## Remember...

Learning looks different for everyone. There is no expectation that you do every task. Many of the things that you do at home with your family are valid learning experiences too!

## Connect with your Class

Watch out for any opportunities to connect with your class via Zoom. Invitations with details and times may be emailed to you.
